

As an incentive for excellence, students' mobility is supported and promoted as well as student participation in educational activities related to university-business cooperation. For this purpose double diploma opportunities are available with the consensus between Tebriz University-Tehran and Near East university for the qualification of MS and PhD degrees.

Each one is based on a number of agreements with other universities and institutions in different countries. All these agreements allow the student to make a stay in a foreign university and attend lectures, do the final project/thesis or accomplish a double degree. The school is constantly working to secure more agreements in order to offer students a wider range of destinations to choose from.

Student participation in educational activities related to university-business cooperation, is called educational cooperation agreements particularly for summer internship. These kinds of activities are extracurricular for BA degree, which is mandatorily associated with the accomplishment of the summer training project in a company.

Academic staff could also work at the University of Kyrenia (Kyrenia, N.Cyprus) which has degree partnership with Near East University.

In addition, below is the list of agreements between Near East University and other universities in different countries which provides academic collaboration, exchange of students, academic staff and researchers.
