

## Directive to Use Dormitory Kitchen

1. Dormitory kitchens are designed to meet the immediate nutrition needs of students.
2. Dormitory kitchens are used to make tea, coffee, and so on, and to cook special meals for students who for some health reasons can not take the advantage of cafeterias
3. Since the dormitory kitchens are in collective use, kitchens must be used respectively.
4. Students using the kitchen are also responsible for cleaning.
5. Be considerate and "Leave It As You Want To Find"
6. Food and beverages are not allowed to be kept and cooked in dormitory rooms.
