

EXPLANATION

- A student who has passed the doctoral qualifying examination will have a maximum of six months to orally defend before the thesis monitoring committee his/her thesis proposal comprising the aim, method, and plan of research.
- The student should hand out a written report concerning the thesis proposal to the committee members at least fifteen days before the oral defence.
- A student whose thesis proposal is rejected will have the right to select a new thesis supervisor and a new thesis subject. In such cases, a new thesis monitoring committee may also be appointed.
 - Students who want to continue with the same supervisor will be required to defend their thesis proposal within three months and
 - Students whose supervisor and thesis subject have been changed within six months.
