

## NEU INCENTIVE SUPPORT PROGRAM FOR SCIENTIFIC AND ARTISTIC ACTIVITIES AND PUBLICATIONS

Near East University provides financial support in two categories which have been explained in detail below, with the aim of increasing the scientific production of the academic staff and creating an incentive in light of the Incentive support program for scientific and artistic activities and publications (ISPSAAP).

The terms and conditions stated bellow are valid from the date of **08.03.2018**.

### 1. FINANCIAL SUPPORT FOR PUBLICATIONS

- a) **Articles:** Article publication support is only given to publications that have an impact factor of 0.25 and above, that are indexed in Web of Science according to the **SCHIMAGO** journal grouping. After the articles that are published in journals with an impact factor of 0.25 and above and that have been published in the Web of Science with the Near East University address, the financial support is given according to the SCHIMAGO evaluation as; **3000 TL for group Q1, 2500TL for group Q2, 2000 TL for group Q3, 1500 TL for group Q4** and is shared between the **authors of the publication who has address as Near East University**.

Even though the **abstracts and letters** are indexed in the Web of Science data base, they cannot make use of this financial incentive. **An additional publication incentive is not given to publications that have already made use of the congress incentive before publishing of the full article.**

In **large projects** with a full paper, that have more than 100 authors, each NEU author is given 200 TL per person.

- b) After the publications with the Near East University address is indexed in Scopus, the financial support is given according to the **Scopus Journal, CITESCORE PERCENTILE evaluation as; 1000TL for 76-99 group, 800TL for 51-75 group, 600TL for 26-50 group and 400TL for 0-25 group** and is shared between the **authors of the publication who has address as Near East University**.
- c) **Book:** Book publication support for books that are published by well known international publishers (Pearson, Prentice-Hall, Thomson Reuters, Kluwer, Penguin Random House, Hachette Livre, McGraw-Hill, Holtzbrinck, Scholastic, Wiley, Oxford University Press, Cambridge University Press, EKSMO), for indexes in the WOS book series and books of book chapters that have been indexed in the Book acquisition index will be given at the amounts mentioned below.

**Book: 3000 TL**  
**Chapter of Book: 1000 TL**

Books or chapters of books that have been published by other publishers can be given the amounts below with the decision of the Centre of Excellence Board of Directors.

**Book: 500 TL**  
**Chapter of Book: 250 TL**

- d) **APC:** for articles that have an impact factor of 0.25 and above and that are in the Web of Science data base, the Article Processing Charge (APC), if it does not exceed the Incentive Support Amount (ISA) can be given in advance and later on deducted from the ISA. If the APC is less than the ISA then the rest of the money will be paid after the article is published.
- e) Other Publications: ISA for other scientific publications that are put into the database of the Web of Science such as case studies that do not come under the heading of an article is calculated as **200 TL**.
