

## Entry-Exit Instructions for Students

1. The identity cards given to the students must be shown to the officials at the entrance of the dormitory. Students failing to do so are not allowed to enter the dormitory.
2. The student losing their ID cards are given a temporary ID card and must obtain the new ID card as soon as possible. Students must use the temporary ID card until they obtain their new card.
3. Students cannot give their identities to others and cannot take unidentified or foreign persons into the dormitory.
4. Students are required to have their baggage, bag, suitcase, package, etc. checked by officials at the entrance.
5. Dormitory doors are kept closed from 24.00 to 06.00. Between these hours,  
  
(except for special cases) students are not permitted in or out. Out of these hours  
  
residents are allowed into dormitories with the special permission of the campus supervisor.
6. Students who do not come to residence at the specified time due to various learning activities, must apply to the dormitory administration in advance with the documents they have obtained from the educational institutions.
7. Students are not allowed to cause trouble or attempt to obstructive behaviour against the officials at the time of entering or leaving the dormitories. Students have to treat each other respectfully at the entrance or exit.
